HOW TO USE THIS TRACKER

Your step-by-step guide to the UKAG Recreational Gymnastics Awards

01

GET STARTED

Fill in your name and school/club on the front cover. This book is yours and stays with you through every level.

03

TICK OFF YOUR SKILLS

Your coach ticks each checkbox when you complete a skill safely and consistently. Do not tick skills yourself.

05

GET SIGNED OFF

When all apparatus skills are complete and your routine is performed, your coach signs off your level. Order your certificate at ukacademiesofgymnastics.com.

02

ATTEND YOUR SESSIONS

Your coach runs structured gymnastics sessions covering all four apparatus: Beam, Bars, Floor and Rebound. Attend regularly.

04

BUILD YOUR ROUTINE

Once skills are learned, you and your coach build your floor routine using the sequence on your level page.

06

MOVE TO THE NEXT LEVEL

Complete all six levels to achieve the full UKAG Recreational Gymnastics Award — the highest recreational award in the programme.
